

How to get all the drapes to match the contents of the swatch wallets/fans

If you have purchased the 60x seasonal drape set, you do NOT need to buy the 90x tonal drape set!

Every single drape has a label with both seasonal and tonal notations

If you want all the drapes to match the contents of the swatch wallets and fans:

- a) Purchase the list of **47 to add to Seasonal set**
- b) Because there are already **43 drapes mutual** to both the 60x seasonal and the 90x tonal sets!
